the Preliminary objection petition of the Counter-Petitioners, - 24.4.18

We beg to submit this petition to the kind perusal of your honour, as we were made to understand that the Gowda Saraswatha Brahmins (Konkanies) had appealed to the Council of your honour, by the fact of their giving petitions on 17/4/1918 to the Taluk Magistrate at Tirthahalli and to the District Magestrate of Shimoga in Tirthahalli camp, after the decision of the District Magestrate of Shimoga on 15/1/1918 regarding the attempted procession against local usage and without any precedent. The appeal petitioners by their attempts to conduct the unusual procession with all paraphernalia, created a dispute where there was religious peace before. They can claim neither to any precedant nor to any sort of established religious rights regarding the procession in this place.

We beg to add that we, the counter-petitioners are one of the parties in this case and further we request your honour that the case is to be fully enquired and judged after all the matters and our objections are heared and fully considered, since we fear that a single party hearing would endanger the interests of a majority of people of this Taluk. We have not yet received the copy of the District Magestrate's order of 15/1/1918, and the connected records with it.

So we humbly pray that your honour may intimate us by a notice after arranging to fix a date to deal with the case, so that we may be enabled to present ourselves with all the necessary records.

We beg to remain,

Your most obedient servants,

K. Venkatrao
